Dear Vickie and Jim

We had four days at the cabin over the week-end as Dad took Friday off. Mary and Mike came up Saturday and stayed for dinner, but not over night. It was just as well because Mary is just getting over a cold and it gets chilly up there at times. Bensons came up Sat. and spent the week-end and we played lots of bridge.

Gary had quit the band so we didn't go up to the Cedars.

The river is very high and rushing and it sounds like the ocean.

I have been working hard in the yard so I quit the yoga classes as I get enough

exercise with the yard work.
The caterpillars are terrible
this year but the sprayers
came yesterday so that is
taken care of.

It is raining again but I
think it will clear up later
on. I hope so. We just haven't
had two sunny days in a
row.

I know you must be busy
getting ready to move. In fact
I just realized you probably
won't get this letter. I will
call you tonight.

Love,

Mom
